

Montana Family Dance Camp

February 10-12, 2023

Camp Mak-A-Dream, Gold Creek, MT (73mi. east of Missoula)

Come solo, with friends or with your whole family!!

We dance, relax, play, and connect with our universal family, familiar or new, young or old. The Dancing is sweet, surrounded by incredible views and enclosed in warmth and smiles.

- We welcome children and young adults to dance in our circle, but they are also free to gather and play in a separate, usually supervised, area. We dance together at three different times, plus have a zikr Saturday night.
- Saturday afternoon is free for hiking, art, clothing exchange, ecstatic dance or whatever individuals care to organize. After dancing many like to soak in the hot tub under the stars or snowflakes. The Camp Mak-A-Dream staff will prepare the meals for us and do the dishes. Lodging is dormitory style.
- Family camp begins with dinner Friday 6:00 p.m. and closes Sunday at 1:00 p.m.

During much of the year, Camp Mak-A-Dream provides support to kids with cancer. Our fees at this February event not only allow us to Eat, Dance, and Pray together, but they help Camp Mak-A-Dream fund their caring vision.

The Dances of Universal Peace are simple, meditative, joyous circle dances that use sacred phrases and movements from all of the world's wisdom traditions. No experience is necessary & all are welcome!
